Dear Mr. Hewitt:

The Notice of Intent to Commence Small Mining Operations (NOI), received by the Division April 14, 2008, is incomplete. The following information is required:

- Please provide an operations map (scale of 1"=200' or larger) that identifies the area to be disturbed, the location drill holes, pads, pits, product and topsoil stockpiles, overburden or waste dumps, and any areas of previous disturbance for which you are not responsible and will not be redisturbed by this operation.
- A reclamation contract and a reclamation surety must be provided. The surety amount for this project is determined to be \$24,000. Please contact Jed Pearson, Division Minerals Surety Coordinator to complete the reclamation surety and the reclamation contract. He can be reached at (801) 538-5382 or [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov).

If you have any questions regarding this letter, please contact myself at (801) 538-5258 or Lynn Kunzler at 538-5310. In reply, please refer to file number S/049/0064. Thank you for your cooperation.
